

Jenny's Karaoke Lounge  
Dededo, Guam

June 16, 2020

### PCOR2 REOPENING BUSINESS PLAN

Jenny's Karaoke Lounge staff and management are fully committed to maintaining a COVID free environment in accordance with DPHSS guidelines based on the following:

- Seating will be placed and maintained at six feet spacing to ensure social distancing.
- Each Individual's Temperatures will be checked prior to entry to the space.
- Staff will be trained to clean and disinfect before and after each transaction or inter-action with customers. Cleaning will include doors, bathrooms, tables and countertops.
- Notices will be placed at the entry and in the toilets to remind both customers and staff to adhere to all policies.
- Hand sanitizer will be available upon entry and accessible locations within the premises.
- Facemasks will be required for entry and at all times when interaction is required.
- Occupancy will be limited to 25% of capacity or up to 10 people.
- Plexi-glass will be installed on countertop between customers and server/cashier staff.

Respectfully submitted,
